

返却に関する誓約書

1.Returned the vehicle with a full tank of fuel

Please check the above statement. If you did not actually return the vehicle with a full tank of fuel, please be aware that we may calculate and charge you for the cost of refueling.

2.No new damages or scratches on the vehicle.

Please check the above statement. If there are actual damages or scratches that were not reported to the store, it will be considered a breach of the agreement even if you have opted for our insurance service. In such cases, we will bill you for the actual repair costs, so please make sure to contact us. In case of no contact and no insurance coverage, we will also charge you for the actual repair costs. Please be aware that breach compensation and penalties for breach of agreement may also apply.

3.No damage or loss of interior equipment or decorations.

Please check the above statement. If there is damage to interior equipment or decorations, we will bill you for the actual repair costs.

4.Returned the vehicle within the rental period without any extensions.

Please check the above statement. If there was any unauthorized extension or delay, we will charge you a fee of 5,000 yen per hour as an unauthorized extension fee. If you anticipate an extension, please contact the store during business hours or send a message via the official store line outside business hours to confirm your next reservation and receive a response.

5.Did not smoke inside the vehicle.

Please check the above statement. If smoking is detected, we will charge you 30,000 yen for cleaning and violation.

6.Did not commit any traffic violations or parking violations.

If there were any parking violations, we will charge you a penalty based on the agreement.

7.Turned off Main Switch ① and Main Switch ②.

Please check the above statements. If there was a battery drain due to forgetting to turn off the switches, resulting in damage requiring replacement or repair of the battery, we will charge you for the actual repair costs.

8.Disposed of the water after using it.

Please check the above statement. If you did not dispose of the water, we will charge you 3,000 yen for cleaning.

9.Threw away all trash inside the vehicle.

No additional cleaning fee will be charged, but we appreciate your cooperation.
